Friday 16th November 2018

Dear Parents/Carers,

The Book Fair is back in school again next week. Come along and have a look at the books on offer. Ideal Christmas presents! Any books that you buy, the school earns commission which is subsequently put back into school to buy more books to continue to enhance your child's learning.

France

What an experience the children had in France last week. 10 of our Y6 children were able to enjoy so many amazing activities which included crate stacking, mountain biking, the Albert Museum, the Thiepval monument and of course the thought-provoking Somme where they looked for the names of the fallen from Measham. The children enjoyed living in a chateau for the week and trying some frogs legs and snails!! Mrs Carpenter and Mrs Sturdy were exceptionally proud of the children for the impeccable behaviour, respect and thoughtfulness they showed throughout the trip. #empathy #reflecting #peace

Come and found out what's going on at the church!

There is a meeting at St Laurence Church on Thursday 22nd November at 6pm. The meeting will explain about the plans to restore the church building and open up the Heritage with help from a Heritage Lottery Grant. This is not a fundraising evening! Refreshments will be available and everyone is welcome.

Children in Need

Thank you for your monetary and cake donations for Children in Need today. We have raised £262 so far. We had a wonderful talent showcase in assembly this afternoon. Well done to everyone who took part!

Parent readers

We would welcome any parents or grandparents who have an hour (or more) free any day of the week who would like to listen to some of our children read on a regular basis. Please let Miss Carter know if you would be interested. Thank you! #grateful

Golden Balloon

Well done to our fantastic Golden Balloon winners.

Meet Helen Phillips, our Vice Chair of Governors

I am a Foundation Governor which means I have been appointed by the Church. I have been a Governor for around 30 years and have seen the school go from strength to strength. You may have seen me in school or at St Laurence church, where I attend regularly and am often involved with fund raising activities.

My background is in industry where I was responsible for Quality and Health and Safety. The experience I gained I bring to the Governing board where I am chair of the Health and Safety committee.

I live in Measham with my husband and have 2 sons, who both attended this school, and I have 2 grandchildren. I have been retired for the last 8 years and, in my spare time, I enjoy spending time with my family, taking holidays and travelling.

Parking

Please could I remind you to be mindful about where you park both along Bosworth Road and down Horses Lane. We have had some email complaints about parents blocking driveways to drop off their children and double parking to have a chat 'car to car' whilst blocking the road. Please park courteously!

If you have any questions or queries, come and talk me or to your child's class teacher.

Best wishes
