

Measham C of E News

Friday 9th July 2021

THANK YOU!

Dear Parents and Carers,

We have reached the end of what has been another tumultuous year and I wanted to send you all a sincere thank you. As a result of the ongoing pandemic, the last 12 months have posed yet more challenges that we have had to overcome in school. We could not have got through this period without the support and positivity that our Measham families have offered school staff, we really have appreciated your support. I am sure that you will all join me in thanking the entire staff team for their hard work, even in such difficult times; they have once again adapted and have continued to do their very best for the children; that is what makes Measham so special.

Farewell Year 6!

As the academic year ends, we will certainly be sad to say goodbye to our amazing group of Year 6 children and their families. These children have not had all the experiences that we would normally offer to mark the end of their time in primary school, but we will never forget them and the memories that we have created together! Although we are sad to see them go, we are also happy knowing that they are well prepared for the next stage of their educational journey. At secondary school, the children will have even more opportunities available to them, and I am sure they will continue to thrive. We look forward to hearing about their journey into the future.

End of Year Reports

You will by now have received your children's end of year reports. Please do not forget to complete the short electronic survey if you would like to make any comments about the report or to arrange a telephone call to discuss your child's report with their class teacher.

Golden Balloon Winners

Many congratulations to our Golden Balloon winners this week. In the final week of term, the winner is chosen as someone who has had an outstanding year including their efforts during home learning. We are so proud of you all!

Measham CE Primary School Pre-School

'Caterpillar Class'

Opening in September 2021

We are pleased to confirm that our new on site pre-school will be open to children from Wednesday 1st September 2021. Caterpillar Class will provide excellent quality play based learning for 3 and 4 year olds.

Government funding is accepted.

to find out more or to enrol your child please email office@measham.leics.sch.uk or call us on 01530 271019

We aim to be a school where our Christian ethos provides the foundation for all we do.

Thankfulness Hope Love Peace Respect Forgiveness

Competition Winner

Some children from our school entered the National Forest Timber 2021 Bird Brained Bird Homes competition. One of our designs were chosen and has been made into a Bird Box which you will be able to see soon on the Ashby Art Trail. The winning design was designed by Kaydn K in Year 4. Congratulations! Maybe if you visit the Ashby Art Trail and see Kaydn's Bird House you could post a picture of you with Kaydn's Bird House

PFA

Many thanks to our wonderful PFA for continuing to raise funds for our children, especially during the tricky year that we have had. They have raised over £1500 which will go back into school to support children's learning and extra activities.

They are desperate for some new members to join their friendly team. Please email pfa@measham.leics.sch.uk if you are interested. Thank you!

Returning to school in September

- After the summer break we will be expecting children to return to school in full Measham CE Uniform, this includes appropriate PE kits. Children wearing the wrong kit will be asked to change.
- School dinners are increasing in cost to £2.35 per meal.
- If you have any outstanding monies, we would be grateful if you could pay them online and if you need a password reset, please email the office office@measham.leics.sch.uk

Covid-19

Please continue to be vigilant. As well as the three main COVID symptoms: cough, loss of taste, and high temperature, children can sometimes present with symptoms such as headaches and sore throats. Please be aware of these wider symptoms.

Book a full PCR test, remember that the Lateral Flow tests are not reliable when used on children and should not be used if any symptoms are present.

Book a test: <https://www.nhs.uk/conditions/coronavirus-covid-19/>

I truly hope that next academic year our lives in school will be able to return to normal. I will be watching the news hopefully over the summer to see if further national restrictions are lifted so that we can return to pre-covid routines in school. I will contact you towards the end of the summer break to confirm details and remind you of the timings etc.

I would like to wish you all a wonderful summer break and look forward to welcoming you all back to school on **Wednesday 25th August 2021.**

Regards,

Sylvie Newman,
Executive Headteacher
