

Measham C of E News

Friday 31st August 2018

Dear Parents/Carers,

Welcome back! It is wonderful to see all the children back at school smiling, looking so smart and ready for the year ahead. It is lovely to be able to welcome Mihail into Year 6, Amelia and Elise into Year 2, Sofia into Y1 and next week, we look forward to welcoming all of our new EYFS children.

We also welcome two new members of staff. Mr Tim Barrass is teaching the Rabbits class in Year 1 and Miss Lauren Wakelin is teaching the Moles class in Year 3.

We hope that they all thoroughly enjoy their new adventure here at Measham C of E.

Over the holiday, Mrs Rooney has accepted a new job and has not returned to us after the summer break. We wish her well as she starts her new role as Pastoral Lead at a Secondary School in Tamworth. We will be re-allocating Mrs Rooney's groups so as soon as we have got them sorted, the intervention groups will start. Miss Carter will be available for any family support, should you want or need to talk to anyone.

School Uniform

Thank you very much to all of you, the children look really smart in their new school uniforms. We all want to be proud of our school and I think that a smart school uniform and tidy appearance plays a really important part of this. **Please remember that children should be wearing all black school shoes, not trainers.** If you have difficulty finding the right shoes please come and see me, thank you for your support in this matter.

Library Books

We are looking at our library book stock, and there are many books that were not returned to the library before the summer holiday. Please can you check bedrooms and book shelves and return any school library books as soon as possible. Thank you.

Nut Free School

Can I remind everyone that we now have a number of children in school with severe nut allergies; please remember not to send your children into school with nuts, or foods that contain nuts.

Keeping in Touch

Don't forget that we have a very active Facebook page with lots of pictures of the children's work and activities that go on in school! #loveoflearning
