Friday 18<sup>th</sup> September 2020

Dear Parents and Carers,

## REMOTE LEARNING PLAN- information

We've learnt a lot during the school closure last term and we want to further improve our home learning offer. Should individuals or groups of children be asked to self-isolate or in the event of a partial or whole school closure, the school is committed to providing continuity of education to its learners and will do so through a process of remote (online) learning.

Remote learning will be set for individuals or groups within 24 hours, for a two week absence, following a positive Covid test.

This plan does not apply in the event of short-term school closures (e.g. as a result of inclement weather), non-Covid related absence or if parents choose to take learners on holiday during term time.

### The aim of this plan is to:

- Minimise the disruption to pupils' education and the delivery of the curriculum
- Ensure that remote education, where needed, is of a high quality and aligns as closely as possible with in-school provision
- Ensure that parents and children are clear about the support that will be offered and expectations relating to remote learning
- Ensure all children have the support they need to complete their work to the best of their ability, and to remain happy, healthy, during periods of remote learning
- Ensure robust safeguarding measures continue to be in effect during the period of remote learning

***There is no expectation that children who are unwell should complete the remote learning tasks each day. Please contact school to let us know if your child is unwell during any period of isolation.***

### Teachers will ensure that:

- Remote learning is set through Seesaw
- Parents are emailed a QR code and instructions for Seesaw for their child
- Children are set: English and/or Mathematics daily and a topic-based project for the week
- Daily learning tasks are uploaded to Seesaw no later than 9:30am on the day they need to be completed
- There is 'daily engagement' between teacher and child – e.g. a video/PowerPoint/audio recording explaining/demonstrating the day's tasks. Teachers might film short videos or similar, explaining learning. *The exact nature of this will depend on the number of children in isolation, as teachers may still have to teach children who remain in school.*
- They contact families weekly throughout their self-isolation. This contact will be via a telephone call.
- That they respond to work posted on Seesaw and provide feedback
- They report any dangers or potential dangers they identify, as well as any concerns they may have about remote learning, to the DSL or Deputy DSL

## Parents will ensure that:

- Children upload relevant work to Seesaw by 5.00pm daily so that teachers can provide feedback
- They contact school if their child is unable to access Seesaw
- They contact their child's teacher (via the class email) if their child is struggling with any aspect of the remote learning or if there are any questions
- They support their child with remote learning. If unable to offer support, due to illness, inform school immediately
- They do not share individual QR codes or any information posted on Seesaw with anyone else
- They inform school if they require paper copies of any remote learning

## Children will:

- Be ready to learn and engage with the daily tasks
- Submit learning onto Seesaw by 5.00pm each day
- Report any technical issues to their teacher as soon as possible
- Notify a responsible adult if they are feeling unwell or are unable to complete the school work they have been set
- Follow The Measham Way at all times

## During periods of isolation children will also be able to access:

- TT Rock Stars
- Purple Mash
- Lexia

Thank you for your continued support

Yours sincerely,

Sylvie Newman  
Executive Headteacher
