'Where happy children flourish.'

Monday 4th January 2021

Dear Parents and Carers,

Following tonight's announcement that schools across the country will close from midnight tonight, we are busy putting together plans for in school provision for vulnerable children and children of critical workers.

As this is very short notice for parents I am writing to you to inform you that school will only be open tomorrow Tuesday 5th January, **for children whose parents are critical workers or children who are vulnerable and have absolutely no other option for childcare. If there is another adult at home who can look after your child tomorrow, you must keep your children at home to limit the chance of the virus spreading and to keep our school community safe.**

School will be open tomorrow from 8.45am to 3.15pm.

We will send out further information tomorrow on eligibility and timings for provision in school for critical workers and vulnerable children. This provision will begin formally on Wednesday 6th January.

Remote learning for those pupils who are at home will begin from Wednesday 6th January.

I must stress that as a country, we once again need to work together to do what we can to reduce the further spread of the COVID-19 virus.

Thank you for your support in helping to keep everyone at our school safe.

Yours sincerely,

Sylvie Newman
Executive Headteacher
